### **QUOTE OF THE DAY**

“The only people who see the whole picture are the ones who step outside the frame.” – Salman Rushdie

“Art resides in the quality of doing, process is not magic.” – Charles Eames

“He who knows that enough is enough will always have enough.” – Lao Tzu

“The day after Columbine, I was interviewed... The reporter had been assigned a theory and was seeking sound bites to support it. "Wouldn't you say," she asked, "that killings like this are influenced by violent movies?" No, I said, I wouldn't say that... The reporter looked disappointed, so I offered her my theory. "Events like this," I said, "if they are influenced by anything, are influenced by news programs like your own. When an unbalanced kid walks into a school and starts shooting, it becomes a major media event. Cable news drops ordinary programming and goes around the clock with it. The story is assigned a logo and a theme song ... The message is clear to other disturbed kids around the country: If I shoot up my school, I can be famous..."” – Roger Ebert

“We adore chaos because we love to produce order.” – M. C. Escher

“I never look forward, because I have no idea about how any of it happened to getting here. I've no idea how the next five years are going to be.” – Paul McCartney

“Interpretation is the revenge of the intellectual upon art.” – Susan Sontag
